

Anniversary Webinar Executive Summary

November 10, 2025

Executive Summary: xMonthly's Anniversary Webinar and Microsoft AI Cloud Tour Launch

- xMonthly celebrates its one-year anniversary with a focus on partner-centric growth and service expansion.
- The AI Cloud Tour is a customizable, embeddable platform for partners to showcase Microsoft cloud solutions and capture leads.
- Licensing, training, and fractional business services are available to support partner success.
- Agent onboarding includes profile creation, service definition, and marketing support.
- Global expansion includes onboarding international partners and streamlining licensing processes.
- Goal: Deploy the AI Cloud Tour on 100 partner websites within the next year.
